

Excellence in Diagnostic Imaging On the Muhlenberg Campus

Convenient outpatient imaging tests are as close as the Muhlenberg Campus. With a host of diagnostic imaging services available, appointments can be easily scheduled either on-line or through our convenient toll-free number. Most appointments are available within 48 hours and on-site parking is free.

The Outpatient Diagnostic Imaging Service at Muhlenberg combines highly-skilled healthcare professionals with state-of-the-art medical imaging equipment to providing area residents with a comprehensive range of radiology services, including:

**X-Ray • CT scan • Ultrasound • MRI
PET/CT • Mammography**

Imaging services are staffed with licensed and registered technologists, and our board-certified radiologists are on-site daily to provide timely interpretations so patients can be treated in the most rapid and appropriate manner.

To schedule an appointment for imaging services, please call **888-535-6762** or go to **www.muhlenberg.com**.
